100- _____ (total deductions)= _____

Ribbon:

P B R W

Additional Information

Refusing -

When a dog puts two feet on an obstacle, it is considered committed. A refusal occurs if a dog fails to continue the obstacle. When the dog stops forward motion, a refusal deduction is scored. Also, if the dog runs past an obstacle or turn back on his path, a refusal is scored. Refusals are scored as 5 point deductions.

In/Out of the Pause Box -

2 points deduction for each occurrence. Also anticipating the count, getting up during the count. The count is restarted each time this happens.
